ABOUT US

We are curators of Luxury Spaces in both Residential and Commercial segments. In our experience of 25+ years, we have helped 984 Clients spread across 19 States, turn their Dream projects to Reality covering a built up area of 3Lacs+ sqft. through 3000+ successfully completed Projects.

Our humble journey began in 1992, when our Principal Mr. Ajay Vadehra completed his 1st project. Starting with a handful of team members and no contacts in the Industry, we have learned from our Customers and satisfied them to the fullest that now allow us to enjoy our strong longstanding relationships with our clients who refer us to their Contact Sphere and help us grow further.

Previously known by the brand name of BRV Design Studio, we have successfully completed 3000+ Projects. Dattatreya Architects is known for their Detail Oriented approach to design, backed by a skilled team of Craftsmen who help us turn Dreams to Reality.
